

Call for Papers: Waste-to-Resources 2021

9th international conference and exhibition on circular economy, MBT, MRF, recycling, Urban Mining and Zero Waste.
18th – 20th of May 2021, www.waste-to-resources.eu

Due to the pandemic situation, Waste-to-Resources will be an online only event in 2021. Enjoy our unique concept for lively interaction between Presenters, exhibitors, and audience.

Waste-to-Resources is the world's leading conference on material-specific waste treatment. All topics relating to the recycling and conversion of waste are prevalent here, especially mechanical biological treatment. For 2021 we are looking for presentations on current technical, legal and political topics, e.g. from the following areas:

- Aims, concepts and legal framework conditions
- Hydrogen economy and waste as raw materials for H2 production
- Waste to chemicals and liquefaction technologies
- Processing and recycling of plastic waste
- Impact of corona on waste management
- EU Circular Economy Action Plan
- New processes, operating experience, optimisation
- Production & marketing of secondary raw materials & fuels
- New approaches for the recovery of organic waste
- Operational monitoring, material flows and analysis
- Emissions and emission treatment
- Fire protection, fire insurance
- Increased and more economical recycling by optimizing collection
- Construction and demolition waste
- Landfill mining, urban mining
- Other topics that fit into the context of the conference

Have we spiked your interest? Then please submit your abstract to us by **12 November 2020**. Please send it to waste2resources@icp-ing.de :

- Subject: Presentation offer Waste-to-Resources 2021
- Title, summary and language of the presentation (English or German)
- Name of the speaker (m/f)
- Institution you speak for, name, address, telephone, FAX and e-mail

Speakers are exempt from the participation fee for the event. The lecture can be submitted and held in English (on the 20th of May English or German).

Please share this information to other interested persons! To join the conference mailing list (for free), send an email to info@wasteconsult.de with the topic "Enter List". In doing so, you accept the data protection regulations, which you can find at <http://www.waste-to-resources.eu/datenschutz.html> . This also applies to the submission of a presentation offer.
